Dora A. Aguilar (provider)

Bright Beginner's primary concerns are the health and safety of children, families, and staff. We all must share the responsibility of engaging in preventive practices and refraining from coming to the program when symptoms are identified by the Centers for Disease Control (CDC) for any particular infection.

Drop-Off and Pick-Up Procedures: The child (ren) will have Daily Health Screenings that will take place during drop-off time.

Bright Beginners Daycare is keeping things safe by limiting who can come inside. Only staff and kids in the program are allowed in the building. Parents and guardians can enter the facility during drop-off and pick-up times.

At Bright Beginners, we're committed to keeping everyone safe. We clean and disinfect all the areas twice daily to prevent viruses from spreading. Our provider and staff follow all the rules to make sure nobody gets sick while they're here. We ask families who use Bright Beginners to do the same at home, like staying home and quarantining if they're ill.

By signing this document, you understand that Bright Beginners Daycare LLC will not be held responsible if you or your child get sick. You agree to keep paying fees if the daycare is closed by the state's order for quarantine, whether it is due to a staff member, a child in childcare, or their siblings, including parents. If there's a spike in COVID-19 cases and the Governor orders the program to close for safety reasons, you agree to pay half of the weekly fee to reserve your child's spot.
